

EDWARD A. DIANA

COUNTY EXECUTIVE

January 15, 2008

Dear Orange County Residents:

"Catch the Dream - Orange County"

Orange County Executive Edward Diana and the Orange County Office of Community Development are pleased to host the 2nd Annual **"Catch the Dream - Orange County"**, a free housing symposium to assist first time homebuyers in Orange County.

One of the first steps in becoming a homeowner is to become aware of the public and private resources that are available to assist you. "Catch The Dream" will provide you with the opportunity to discuss your homeownership needs and aspirations with professionals from: private banks, real estate professionals, home inspectors, attorneys, and representatives from local, state and federal agencies which provide down payment and other assistance. Classes will also be conducted throughout the day on Shopping for a Home, Grants and Down Payment Assistance, Legal Issues, Home Owner Responsibilities, Home Inspections, Financing Options, and other topics. This year we expect housing professionals to occupy over 100 booths at the Conference, which will be held on May 4, 2008.

We hope you will attend. For additional information, please visit our website at www.catchthedreamocinc.com, or call (845) 703-HOME (4663) for more information. You may also contact Tom Lane, Director of Orange County Office of Community Development at (845) 291-2424.
